BEAUTIFUL RENOVATION POSSIBILITIES!! With 9+ rooms, this lovely, well cared for home has all the space you desire to do with as you wish, but you can be comfortable and secure in the knowledge that the roof is young, the furnace is a newer gas conversion, and the exterior has been cleaned up, sanded, and painted for a better than new appearance! MEANT TO BE ENJOYED, the back yard features a beautiful lagoon like in-ground, Gunite swimming pool where this family has spent very many countless hours of summertime fun, and you can do the same! Located at the top of a cul-de-sac neighborhood, the house is conveniently located to so much. Nearby, find many area amenities and choices for shopping, dining, entertainment, beaches, parks just to name a few, and varied transportation options for the commuter. This home is ready to make your own.
